Some Conclusions.

The earliest record of Robert Wade of Va. that I find is the Land grant of 1733 of 250 acres on Lickinghole Creek in Goochland Co. This land, he sold the next year to Philip Rigon and he is stated in the deed to be Robert Wade of Hanover Co. He also appears in 1739 in a deed to Andrew Wade of Goochland Co. In Hanover Co, his tithables were used to clear the road in 1737 and he was paid for removing poor people in 1759. He appears in a land grant in Halifax in 1753 and was appointed a Justice in Halifax in 1754. Your data shows a Robert Wade in Amelia Co, in 1751. Were these Robert Wades all one and the same man or were there two men? There is no further mention of Robert Wade of Hanover after the payment of removal of the poor. Evidently, we need more light on his movements. When I was working on the original records of Hanover Co, in Va. Library in Richmond; I understood Miss Bass, the attendant who waited on me, to say that all of Hanover records of an early period were there. Some may be lost. I searched through the St. Paul's Vestry Book to page 374, date 1774. There remained only a few pages when the Library at Alexandria closed and I never found time to go back.

It seems to me to get back of Robert Wade of Hanover that one would have to search in New Kent Co. as Hanover was formed from that in 1720.

Now the Library in Richmond has so many of the will and deed books of the early counties photostated, that one can get much information. I believe to Hanover Wades.

Your data cleared up my problem of William Wade of Bedford Co. deed and working this up for you cleared the matter of Henry Wade deed in Bedford, so now all of the Bedford possible ancestors to my Mary Wade Carter narrow down to Jacob Wade and he belongs, I feel sure to Jeremiah and your note that Jeremiah went from York to Goochland, pigeon holes him to a certain extent. There, one can speculate on Armiger and Edward

Wade going to Goochland from York, I shall appreciate it very much.
I think many of the Goochland Wades did come there from Hanover Co.
I also think most of the Albemarle , Amherst , Bedford and Campbell Co.
Wades were related. Further, I think the Prince Edward Co, Wades and
of the Cumberland Co. Wades had a common ancestor.

among the Wades. Evidently their lands were thrown into Amherst in the division from Albemarle Co.

John Wade , 1775 a deed. In 1783, Head of a family of 7 Whites. (U.S. Census). Will dated Feb. 1785; proved July 2, 1787. Wife Elizabeth, Son Dawson, dau. Jesse Shasteen and Elinor Shasteen. (Will Book 3, p.43.)

Pearce Wade, and Mary his wife, dead in 1764. This ~~is~~ the last mention of Mary Wade, that I have found, next appears a wife of Pearce Wade by name Elizabeth.

Pearce Wade, Will, Dec. 13, 1769; proved March 5, 1770. Wife Elizabeth , dau. Susanna and "younger children", Dau. Elizabeth, Dau. Abigail Harriell Wade. (Will Book I, p. 161.)

Pearce Wade's orphans with guardian bonds appear as follows.

Abigail Wade, orphan of Pearce Wade in 1779, in 1788 she was 21 years of age according to the testimony of Elizabeth Fowler , This related to her marriage to Mr. John Reynolds.

Clay Wade, orphan of Pearce Wade, 1779 guardian bond. ~~Lucretia Wade~~

Lucretia Wade. 1779 , orphan of Pearce Wade, guardian bond. These are in (Will Book I.)

Jeremiah Wade of Albemarle Co. Joseph Ballenger and Richard B allenger and Pearce Wade of Amherst Co. gave a deed in 1763 to George Seaton. Jeremiah Wade, orphan of Pearce Wade should have been included in his list of orphans , guardian bond in 1779.

Ballenger Wade and Sally his wife gave a deed in 1795.

Nathaniel Wade , 1785 was Head of family of 7 white souls. (U.S.Census).

James Wade, Rev. Soldier, application for pension for his wife Sally Wade who was widow of Thomas Stevens when he married her and dau. of ---Gibbs. Date of application 1818 . Allowed. (U.S. Pension Dept. Washington, D.C.)

Jacob Wade, and wife Anne in 1780 and numerous deeds thereafter until 1795 when Anne made last relinquishment. Jacob Wade married Mary Branch in 1800 . Prior to this marriage he sold and bought lands on Big and Little Otter Rivers, which is in northern part of county near where William Carter my g-great grandfather lived and near the Cheatwood estate where Evaline Ellis was born. He married to grandfather, Robert August C. Carter. After Jacob Wade married Mary Branch, he sold and bought land on Wolf Creek. and deeds of trust are recorded. One of these includes a negro woman Mariah and her son Stephen to Carter and Miller of town of Liberty. As we have a family tradition about a rift between Mary Wade Carter and her father about a negro woman servant, I am wondering if this is the one.

Also the early deeds include several transactions with Sarah Quarles and I wonder if there was a relationship there and if ~~xx~~ Sarah Quarles might have been Ann Wade's mother.

Jacob Wade, Rev. Soldier, applied for pension in 1818, allowed. No mention of family. (U.S. Pension Dept. Washington, D.C.)

Henrico Co. Cont. Bedford Co. Records.

Joseph Wade, April 10, 1791, Inventory of Estate, no mention of children though Mary Wade widow was made administratrix.

I signed James Hilton and William Hilton or-in-1

Joshua Wade, 1792 married Mary Hensley, daughter of Rev. Hensley and his widow applied for pension July 19, 1842 from Franklin Co. Ga. She was then 78 years of age. Joshua enlisted as a substitute for his brother Isaac (Isaac lost a leg.) Joshua died Feb. 17, 1800 from an injury. John Peebles deponent, saw Joshua Wade and his brother Jacob Wade at Battle of Guilford and saw him in service. (U.S. Pension Dept. Washington D.C.)

This settles relationship of Isaac, Jacob and Joshua Wade.

Joshua Wade, 1812, Will prob. 10 days, Mary Wade widow, John Wade, Betsy Wade and James Wade, minor. (Deed Book 6, p. 109 1/2.)

Deed made between Robert Wade, party of the 1st part; Hampton Wade, party of the 2d part, and William Stokes, Edward Wade and William Wade, parties of the 3d part:-

"Whereas about 1747, Hampton Wade, Son of Robert Wade, intermarried with Jane Ellis, daughter of John Ellis of Amelia County, va.

On which occasion there arose a small controversy, between the said John Ellis and the said Robert Wade, of helping their children, Hampton Wade and Jane Ellis Wade--and with regard to advancing the fortune of each of these their Children--" Robert Wade among other things gave them two negro male and female Slaves who have the use of them ever since--

And as he finds the said John Ellis among other things in his life time settled two other male and female slaves on his said daughter Jane and the said Hampton for and during each of their natural lives and then did give the said two negroes together with the increase to the four elder Children of the said Hampton and Jane Wade,

It is therefore considered that the said Hampton and Jane his wife, have several other children issues of their two bodies unprovided by the said John Ellis, whose names are John Wade, Thomas Ellis Wade, Horatio Wade, and Clement Wade.

At the November Court of Halifax County, 1813---Deas 30, page 148

Commissioners were appointed to settle the accounts of Richard Wade and Polly Wade, Adm. and Admx. of Richard Wade, deceased, and also of Richard Wade administratrix of Horatio Wade, deceased.

Both of these estates were settled by the same Commissioners at the same time, confirmed at the same time and recorded at the same time, so there is no doubt that it was the same Richard Wade mentioned in both cases who was the husband of Sarah Chappell Wade.

The qualification of Richard Wade Jr., as administrator of Horatio Wade, deceased, in the place of his father, shows that this Horatio Wade was the son of Hampton Wade, who died in 1767, that Richard Wade Senr., was his brother and also the son of said Hampton Wade, and that Richard Wade Senr.'s wife was named Mary and called Polly. and that the Richard Wade, who married Sarah Chappell, was the son of Richard Wade, Senr. and Mary Wade.

Dear Mrs. Chapman:

I looked at the original will of Richard Wade, deceased, which was probated in 1842, and he mentioned his daughter Susan Stanford and Standford in another place, the Stanford was mentioned first.

I made this correction on the will book as it was a mistake carelessly made. (But the names were not Stanfield) as the Clerk had erroneously recorded.

In the extract of George Boyd Senr's Will he mentioned his daughter Mary Wade, the wife of Richard Wade.

This bothered me somewhat, because he mentioned that he had given his daughter Mary Wade 150 acres of land on which they now lived-

As Richard Wade Senr., had a considerable acreage of land this seems a small place for him to make his home on his wife's land instead of living on one of his places.

But these must be the right parties as the dates correspond with the facts.

Other Wade's and Boyd's married, Charles Wade for instance married the sister of John ~~Wade~~ Boyd, and they had children.

Richard Wade's

There were also a number of ~~xxxxxx~~, Stephen Wade, the Son of Robert Wade, and brother of Hampton Wade, who died in 1767, had a son named Richard Wade. And this Richard Wade was will land in Halifax County by his father Stephen.

I want to get this line straight for you and if these are not ~~xxxx~~ positive enough do not hesitate to call on me, for I will be glad to complete the search and strengthen the weak links.

Yours very truly,

Dear Mrs. Chapman:

I should have written long ago, but there are so many Wade's of the same name that I never had enough time when I was in the notion to connect them.

I am going to give some information that I have gleaned from the books and then I am going to ask you to give me some points and we may be able to connect them and trace them directly to Hampton Wade.

The tripartite deed you mentioned from Amelia County is also recorded in this County, and from a careful reading of this deed I am of opinion that the children mentioned in this deed are the youngest instead of the oldest as you suggested. The ones mentioned were, were John Wade, Thomas Ellis Wade, Horatio Wade and Clement Wade--
Could I be right in this opinion, ~~from your careful reading of said deeds.~~

Now Richard Wade, was the administrator of Horatio Wade, Richard Wade was the administrator of George Wade, And Richard Wade and Mary Wade, Administrators of Richard Wade, deceased.

This Richard Wade must have been the same Richard that was born in or about 1782, could this be the case.

In a Chaccery suit brought in 1814, Pleas Book 31, page 63 by the following parties heirs of Richard Wade, deceased, Senr. Robert Wade, George Wade, Richard Wade, Amy Patterson, Sally Wade, Rebecca Wade, Polly Wade and Betsy Wade
vs.

Polly Wade, widow of Richard Wade Senr. deceased.

This suit was to partition the slaves and lands of Richard Wade after assigning dower to his widow Polly Wade &c.

This Polly Wade is evidently the same person who as Mary Wade, with Richard Wade ~~xxxxxxx~~ qualified as administrators of Richard Wade, as mentioned above. --This Richard Wade here mentioned is the same who married Sarah Chappell.

Now the Richard Wade Senr. whose son and widow qualified as his administrator could very easily have been the son of Hampton Wade, he was possibly one of the younger sons.

I can only connect him so far directly as a son of Hampton Wade by his qualifying as administrator of some of Hampton Wade's sons, and he is undoubtedly ~~and beyond any doubt~~ the father of your Richard Wade, who was born about 1882 and married Sarah Chappell-

Now George Wade, the son of Hampton Wade, evidently was never married, for in the settlement of ~~the estate of~~ ~~George Wade~~ the guardian account of a man named George Wade 1810 or soon thereafter, the guardian used the words as follows "Your interest in your father's estate and in George Wade's estate" This was settled in March, 1819. and from this quotation it eliminates George Wade from being a married man. ~~This seems to explain~~

To confirm this conjecture, Richard Wade, (YOUR Richard; who died about 1840 and married Sarah Chappell) in his settlement of the estate of George Wade, made the following distribution, as shown by his settlement about 1816, to these persons:- Robert Wade--Hampton Wade- Sarah Wade- Richard Wade's Estate (His fathers) Horatio Wade's Estate;

It seems from the connection of these parties, that the other children of Hampton Wade and Jane Ellis Wade, were Robert, ~~Richard~~ Richard, Hampton and Sarah.

Robert Died about, 1765-- And Robert Wade his son died 1811--
Hampton Wade, son of Hampton Wade, died about 1768 and his widow married again in, 1769 --

Now while I cannot absolutely connect them, yet from all the records I have found ~~and~~ a part of which I have written you, I think, the Richard Wade, who died in 1840, and was born in 1782, is the same and identical Richard Wade, who with his mother qualified as administrators of said Richard Wade Senr. ~~who was undoubtedly~~ ~~and the~~ ~~Richard Wade Senr.~~, whose wife was Mary or Polly was the son of Hampton Wade-for a number of reasons-One is that he qualified as, and had an interest in the estate of some of his Uncles, sons of Hampton Wade, Senr.

I hope, tomorrow, to take all my notes and type them and ~~again~~ ~~and~~ ~~have~~ ~~my~~ ~~memory~~ ~~freshen~~ my memory and see if I can get anything ~~else~~ ~~for~~ you

I will write you again in a few days, but would like for you to make some comments on what I have written before sending more information if you deem it necessary.

Yours very truly,

Jas A. Medley

I believe this Robert must have been the son of Hampton Sr.

The Robert who died 1811 - I believe was H

Dear Mrs. Chapman,

I herewith enclose you in part data and certificates to prove part of our contention that the Richard Wade, who married Sarah Chappell, was the son of Richard Wade Senr., and the Grand-son of Hampton Wade, decd., who died in 1767 or about that time. and the great grand-son of Robert Wade' whose will is shown in part.

I think that beyond a doubt the above facts are true and are proved by the records .

I have a lot more dope about the Wade's that I have gleaned from our records and which I will keep for future reference should we need more.

I feel certain that I will have to make some changes, so do not hesitate to write me at once and tell me exactly what you want done and I will do this .

As I had these sheets about complete, especially the 1st and 2d, I decided to send them on and see what changes you wished.

I will have to charge you \$10.00 for the complete search and transcript.

I thank you for mentioning Kate and her children, as I have not heard from them for some time.

Yours very truly,

James H. Medley
